

Leadership in Action Program

Start Strong PA and Pre-K for PA are excited to offer the Leadership in Action program for early care and education programs. The Pre-K for PA and Start Strong PA campaigns were created because we understand the value and impact of your work. We know that the care and education you provide makes a lasting impact on the lives of the children, their families, our communities and our economy. Our goal is to make quality early learning accessible and affordable through improved policies and increased funding but we need your help to do that!

Our Leadership in Action Program is designed to offer opportunities for early care and education programs to be advocates, whether you have been raising your voice for years or are considering it for the very first time. You know your story and the story of your families best. Our elected officials need to hear those stories and we want to help you share them. Programs participating in Leadership in Action will receive gift cards based on the type and level of engagement chosen. Advocacy campaign staff will document your participation and then cards will be issued on a monthly basis. While activities will be coordinated with Start Strong PA or Pre-K for PA partners, you can conduct the activities with or without us.

Documentation will differ by type of activity. As program participants' engagement increases, gift card amounts increase.

If you have questions or need more information on how to participate in our Leadership in Action program please contact:

Keevan Merryman, Program Assistant, PennAEYC kmerryman@pennaeyc.org

Examples of activities are listed on the back and categorized by engagement level.

Program directors will receive gift cards from the Pennsylvania Association for the Education of Young Children (PennAEYC), on behalf of the Start Strong PA and Pre-K for PA campaigns, in the amounts indicated below for use in their programs as they complete the corresponding activities. In addition, participating families will be issued a separate gift card, in an equal amount. Families may be mailed gift cards directly or they may be sent to the program director for the family. *Italicized activities may be conducted virtually* (gift card amount reduced by \$25). Please note that PennAEYC will need to collect a W9 IRS form from programs or families receiving more than \$599 in gift cards in a calendar year for tax compliance purposes.
